INSTRUCTION MANUAL

Game Concept: "Collect & Win"

Introduction

The primary goal of the game is to foster engagement and excitement within the Okaylabs community. Participants will strive to accumulate points to gain entry into the game and the opportunity to win enticing rewards. These rewards include exclusive whitelist spots and access to unique NFTs that will be previewed in upcoming teasers.

Types of Participation

To make the game engaging and enjoyable, there are two ways to participate: one for our valued Whitelisted members and another for general participants.

Differences in Play

Whitelisted Members:

These esteemed members can play once a day, up to four times a week. After four plays, they will need to wait until the week concludes to play again.

General Participants:

Regular participants have the chance to play once a day, but only twice a week.

Game Entry Requirements

Whitelisted Members:

To begin the game, Whitelisted members need to gather a minimum of 4 points

General Participants:

To join in, general participants should accumulate at least 6 points.

Earning Points and Tasks:

- Follow our official X page: 1 point
- Join our vibrant Discord server: 1 point
- Display the Okaylabs banner on your X cover: 2 points
- Use our mesmerizing ART as your X profile picture: 2 points
- Share an Okaylabs tweet on X platform: 2 points
- Craft a comprehensive Okaylabs thread on X: 3 points

Earning Points and Tasks:

Whether you're a Whitelisted member or a general participant, prepare for an exhilarating journey of strategy and chance within the "Collect & Win" game. Accumulate points, make thoughtful decisions, and earn your spot for a shot at captivating rewards. Your journey with Okaylabs has just become even more thrilling!

Important Guidelines for the "Collect & Win" Game

Temporary Game Lock After Winning NFT Prize:

If a participant wins an NFT prize, the game will be temporarily locked for 24 to 48 hours until a new announcement is made on our Discord server.

Winner Contact and Verification:

All game winners must reach out to us within 24 hours of winning. We will initiate the verification process and provide guidance to claim the respective prize.

Winners of Whitelist Spots:

Winners of Whitelist Spots or NFT Prizes:

Participants who win a whitelist spot or an NFT prize need to open a ticket on our Discord server. We will initiate the verification process and guide them through claiming the coveted role or prize.

Strict Anti-Cheating Policy:

Any attempt to cheat or manipulate the game will result in immediate disqualification and a ban from further participation.

Fair Play:

Creating multiple accounts to participate in the game is strictly prohibited. Any fraudulent activity, even if the participant wins, will lead to elimination.

Sustained Effort:

Participants must ensure that actions performed to earn points are sustained. If a task, such as following or posting, is undone after participation, the participant will be excluded from the next game.

Banner and PFP Duration:

To qualify for points, using our project's banner or profile picture (PFP) on platforms should be maintained for a minimum of 24 hours.

Let's uphold the spirit of fair play and camaraderie in our "Collect & Win" game. Your engagement and adherence to these guidelines are appreciated. Best of luck on your journey to victory!
